What is Spartan Race? There are three main types of Spartan Races, suitable to all fitness levels. For beginners we recommend the Sprint. Spartan's shortest courses are 5km and 20 obstacles. Complete the race at your own pace. If you fail an obstacle along the way, you owe us 30 burpees before continuing on. Ready for more?

The SPARTAN philosophy began with me coaching my son in rec soccer in 2011. We approached the sport with an emphasis on dicipline, hard work, physical fitness, and character. Fast forward to the summer of 2021, coming out of the pandemic and wanting a way to jumpstart the season of my younger son's team, I proposed the idea of a summer ...
