MEGA 400 | 400 Watt Solar Panel | Premium Grid-tie or Off-grid Solar Panel for Residential, Commercial, Agriculture | 25-Year Output Warranty | UL Certified ... Flexible Panels. 1-Year Warranty ...

Thin-film flexible solar panels, however, are only 7-15% efficient, meaning you'll need more of them to produce the same amount of electricity a rigid panel would produce. Flexible solar panels probably won't fit the bill for rooftop energy production, but they're a great option for anyone needing lightweight and portable power.
