Acme energy services ltd

ACME Solar Holdings Limited. We are one of the largest renewable energy Independent Power Producers in India and among the top 10 renewable energy players in India in terms of operational capacity as of March 31, 2024. (Source: CRISIL Report) We have commissioned 3,668 MWp of solar power projects as of March 31, 2024.

However, the Solar PV system business needs professional talents and technology to provide customers with long-term service resources, and a complete team and logistical support are needed to assist customers in making lasting energy management plans. Therefore, ACMEPOINT Energy Services was formally established in 2003.

Acme Energy Marketing Ltd. is an energy marketing company that provides marketing services to the oil and gas exploration and production industry in the Western Canadian Sedimentary Basin. Acme was established in 1997 to provide Canadian petroleum producers with improved netbacks and greater choice in the marketing of their products.
