Amara Raja Batteries Ltd. is a leading manufacturer of lead-acid batteries for industrial and automotive applications in India. The company is part of the Amara Raja Group, a conglomerate with interests in various industries such as power conversion products, sheet metal products, precision components, and more.

The narrative of Amara Raja mirrors Dr. Galla's personal journey. Returning to his rural roots in the mid-1980s, Dr. Galla founded Amara Raja Power Systems Ltd and subsequently Amara Raja Batteries, both with modest investments and a very small team. Today, the Amara Raja Group echoes Dr. Galla's remarkable trajectory.
