

What does Burmeister mean in German?

North German: status name for the mayor or chief magistrate of a town, village, or peasant commune (Bauerschaft), from Middle Low German bur 'inhabitant, dweller, neighbor, peasant, citizen' + mester 'master'. Dictionary of American Family Names © Patrick Hanks 2003, 2006. What Burmeister family records will you find?

Where are Burmester speakers made?

All Burmester products are developed in Berlin, manufactured by hand and distributed by dealers in around 50 countries on 5 continents. Most of the component parts are sourced from Germany. [4]Burmester loudspeakers in a Mercedes-AMG S-Class convertible

Who are Dieter Burmester & Udo Besser?

Founder Dieter Burmester and CEO Udo Besser are upbeat, fun-loving personalities who enjoy demonstrating their latest home audio gear--that is, when they're not working on the latest updates to their sound system for the \$2.1 million Bugatti Veyron 16.4 supercar. This past year they introduced their new B25 loudspeaker, an 88-lb floorstander.

THE ORIGINS A Quest To Build The Perfect Sound Occasionally, certain reoccurring circumstances cause you to make key decisions to head in a particular direction in life. In Dieter Burmester's case it was a tube amplifier sensitivity or susceptibility that initially determined his choice of vocational education and would later lead him establishing one of the [...]

Burmester Audiosysteme GmbH, commonly referred to as Burmester, is a German manufacturer of high-end audio components. The company is based in Berlin-Schöneberg and was founded in 1977 by an Austrian-born musician and engineer Dieter Burmester (1946-2015).

Mercedes-Benz GLE With the GLE, comfortable travel beyond paved roads is a top priority. And Burmeister also provides enhanced listening pleasure in this vehicle segment with two sound systems for maximum music enjoyment. Back to Overview Click on the dots for more information on the system. Click on the dots for more information on the [...]

It's always fun to visit the Burmeister Audio suite at the annual Consumer Electronic Show. Founder Dieter Burmester and CEO Udo Besser are upbeat, fun-loving personalities who enjoy demonstrating their latest home audio gear that is, when they're not working on the latest updates to their sound system for the \$2.1 million Bugatti Veyron 16.4 supercar. This past year ...

None of the few dealers 600 miles around order Cayman Ss with a manual transmission, let alone with the Burmester audio system. Just wondering if anybody here has had a chance to hear it, and if it's worth the (huge)difference. I don't want any regrets with the options when it's time to buy.

Burmester® is one of the most respected premium audio manufacturers worldwide. The Burmester® High-End Surround Sound System owes its eminence to countless details, and one goal: perfection in sound. It transforms sound waves into unique sensory stimuli and music into an exclusive sound experience. The result is an unprecedented rich and natural sound, even at ...

ELECTRONIC COMPONENTS Power Amplifier Amplifier technology has always been one of the core

competences of Burmeister Audiosysteme. Like all our high-end amplifiers, power amplifiers are constructed in a symmetrical way and are entirely DC-coupled. A typical feature of Burmeister power amplifiers is their extremely high damping factor. In combination with a wide class-A ...

Mercedes-Benz C-Class According to Dieter Burmeister, "the optimum of sound is achieved when you stop thinking about it". The Burmeister sound system implemented in the Mercedes-Benz C-Class is in alignment with this idea. Following its successful debut in the S-Class, a further dimension of listening can now be experienced in the C-Class, where the sound [...]

Thanks for that GREAT Review. I could never justify paying 6K Canadian for a car sound system. Never. After taking delivery of my 2017 Macan S, I followed some Macaners here and swapped out the 4 Bose tweeters for Burms and swapped out the Bose Sub speaker (total crap) for a 8" Rockford Fosgate using same enclosure and never looked back.

It has been regarded as the gold standard for automobile audio systems since Burmeister was first installed in the Porsche Panamera. The Burmeister High-End Surround Sound System is known for its fine attention to detail and pursuit of audio excellence.

Burmeister and Bowers Wilkins are two renowned and well-respected brands in the audio industry and produce high-quality speakers, soundbars, headphones, and subwoofers. In this article, we will cover a general overview of both brands, looking specifically at the sound quality, durability, price and so on. Of course, each brand has different devices at different price

Karl Hermann Konrad Burmeister (also known as Carlos Germán Conrado Burmeister) (15 January 1807 - 2 May 1892) was a German Argentine zoologist, entomologist, herpetologist, botanist, and coleopterologist. He served as a professor at the University of Halle, headed the museum there and published the Handbuch der Entomologie (1832-1855) before moving to ...
