Imagine this scenario next time the power goes off in Raleigh. Whether you live in Downtown Raleigh, Five Points, North Raleigh, or further out in Wake County, your lights and power are ON, even if all your neighbors' homes are dark. You can heat and cool your home, cook, wash dishes and clothes, bathe, charge your phones and computers and keep your refrigerated and frozen ...

And although tornadoes are usually the strongest in the spring, in this part of Florida, they can -- and do -- happen any time of the year. For example, in August 2020, an EF2 tornado with 100+ mph winds tore through Deland, destroying homes, power lines, and transmission equipment, leaving more than 11,000 homes and businesses without power for more than a week.
