Company that makes pine sol

surfaces, including floors, sinks, counters, stoves, bathtubs, shower stalls, tile, toilets, garbage cans and diaper pails. Just use 1/8 cup per gallon of water. For tough jobs, use full strength and rinse immediately. On wood surfaces, do not allow puddles of product to remain.

Pine-Sol is a registered trade name of the Clorox Company for a line of household cleaning products, used to clean grease and heavy soil stains. Pine-Sol was based on pine oil when it was created in 1929 and during its rise to national popularity in the 1950s. By 2016, Pine-Sol products sold in stores no longer contained pine oil, which was done to reduce costs. The old Pine-oil containing formula is sometimes available online only.

Here are some unique ways people are using Pine-Sol (note: these uses only apply to Pine-Sol Original):
Laundry booster: Adding a 1/2 cup to your wash can enhance your detergent's cleaning power. Pine-Sol is especially adept at removing stubborn stains and neutralizing odors on athletic wear.

This improved 2X concentrated formula* lasts 2X longer** than the previous Pine-Sol's Pine formula. EPA registered to kill 99% of germs***, Pine-Sol's gives you 5X cleaning action as it deodorizes, cuts through grease, removes grime, tackles dirt and removes 99% of allergens****, all while leaving a classic pine scent. One bottle does it all.
