Driver and Passenger side door panels taken from a 1995 Honda Del Sol. Panels will fit all 1993-1997 Honda Del Sol's. These are very hard to come by especially in this condition. Drivers side door panel has wrinkling on the armrest portion as well as a few small cuts on the top of the panel as well as the side bottom all as pictured.

yeah its pretty easy. theres a small screw where the door handle is. once you remove this, just slide the handle out. another one below it on the handle that you pull the door closed with (theres a round tab you pull out to get to it, and need a long screw driver for this). and then theres another one on the top left sort of where the door meets the fender. the rest are ...
