

Del sol sister company

What is the difference between cariloha & del Sol?

Cariloha is the world's only retail brand with stores that are completely merchandised with soft clothing, bedding, bath goods, and more made from eco-friendly bamboo*. Del Sol, on the other hand, is the world's leading brand of color-changing apparel and accessories.

Does Del Sol's product change color with sunlight?

Everything sold at Del Sol changes color with sunlight. Cariloha, established in 2007, specializes in comfortable, sustainable bedding, clothing, and bath goods. All products from Cariloha are made from bamboo, one of the most renewable resources in the world.

What makes del Sol unique?

Thousands of customers from all over the world share this same enthusiasm for Del Sol. They're part of a Del Sol culture, which sets them apart as the fun store in major tourist destinations throughout the world. One secret ingredient to our bright shopping experience, which remains long after customers leave the store, is our product technology.

What is del Sol spectrachrome™?

Del Sol engineered its proprietary Spectrachrome™ technology based on a special formula for color change originally explored by NASA for its space program. You can't find Del Sol's unique products anywhere else in the world because they're all originals.

Many years ago my sister and now deceased brother-in-law gave me a pair of Del Sol color changing earrings as a gift. The earrings used to change color, but they eventually stopped changing color. I recently visited my sister and had the earrings with me. I mentioned to her that they stopped changing color years ago.

If that definition calls to mind good vibes, warm breezes, and big smiles, then what we're about here at Del Sol probably resonates. Whether you're riding one of our newly designed beach cruisers featuring a "pedal-forward" frame design or one of our luxurious LXI Flow comfort hybrid models, every bike bearing the Del Sol logo delivers ...
