The DOKIO 160W Portable Solar Panel Kit is an excellent choice for charging 12V batteries and power stations. It is compatible with most power stations, including Jackery, Goal Zero, Ecoflow, and Paxcess. Whether you're out camping or experiencing a power outage, this solar panel provides a reliable source of energy.

The Dokio 110W 18V Portable Kit is the most affordable solar panel for camping we've used that still works pretty well as a solar panel. This model repeatedly surprised us with its solar charging efficiency, and it's extremely lightweight, portable, and versatile as well.
