The Dokio 100W solar panel has SAE connectors though, so this is the correct SAE to 8mm (click to view on Amazon). Also, the panel comes with a charge controller and since the Jackery Explorer 500 has one built-in already you should not use the controller Dokio includes. Connect the solar panel directly to the Jackery with the adapter I linked to.

Best budget portable solar panel: Dokio 160 Watts 18 Volts Portable Solar Charger. Lightweight and foldable, the Dokio 160W 18V has a wattage rating that"s certainly high enough to work for any weekend camping excursions you have planned (assuming the weather looks sunny at least some of the time).
