What makes a good ornament storage box?

Ornament storage boxes may include additional features that make them more convenient to use. For extra convenience, look for an ornament storage box with carrying handles; zippered, Velcro, or latched lids; or a spot for labels.

What are the different types of Christmas ornament storage containers?

When it comes to ornament storage containers, the most common materials are plastic, cardboard, and fabric. Plastic is a sturdy, water-resistant option, but it doesn't breathe. Clear plastic makes it easy to see the Christmas decorations inside the container, but it won't offer protection from sunlight.

How do I choose the right ornament storage container?

Choose a suitable capacity with enough room to store a current collection, plus a few more spaces for any keepsakes or gifts received through the seasons. When it comes to ornament storage containers, the most common materials are plastic, cardboard, and fabric. Plastic is a sturdy, water-resistant option, but it doesn't breathe.

What is a simple ornament storage organizer?

The Simplify ornament storage organizer is clear on all sides, so folks can view the outer layer of ornaments inside. Made of flexible plastic, it's semitransparent, which makes it see through while providing some protection from light. This storage box is on the large side at about 12 inches tall by 21 inches wide by 12 inches deep.

How do you store Christmas ornaments safely?

In short, take the following steps to store Christmas ornaments safely: Clean ornaments before storing. Wrap delicate ornaments, if needed. Store ornaments in a box with appropriate dividers. Place the Christmas ornament storage container in a dry, cool, and temperature-controlled room.

How many trays are in a ornament storage container?

Instead of a simple box with dividers, this ornament storage container features five removable trays on an adjustable, wheeled metal frame. The entire unit is 25 inches wide by 20 inches deep and extends from 26 to 46 inches tall. Five trays move apart or come completely off the frame to allow access to each tier.
