

Gas stations with backup power near me

What is a gas station tracker?

The tracker helps drivers find gas stations with fuel and power in an emergency. Below are the percentages of gas stations without fuel in major cities across Florida. Updates will be provided twice daily as the situation progresses.

How do you find out if a gas station is out of fuel?

The hunt for gasoline is a nerve-fraying task for people preparing for a major hurricane. GasBuddy has an app and an interactive map on their website to help Floridians find which gas stations have fuel or limited fuel and which ones are out of fuel. You can search by city or zip code.

Where can I find a GasBuddy fuel availability tracker?

The GasBuddy app is available for download in the iOS and Google Play stores, and the fuel availability tracker is also available online at tracker.gasbuddy.com. GasBuddy petroleum analysts will continue to monitor and provide information on the situation via the @GasBuddy X/Twitter account.

How do I track where gas is available near me?

Through GasBuddy, you can track where gas is available near you as stations around the area are supplied with more fuel. To see where you can gas near you, type in your location in the GasBuddy tracker here. GasBuddy is a third-party website and its information may not be updated in real-time.

How many gas stations does GasBuddy cover?

Unlike fuel retailer apps, as well as newer apps focused on fuel savings, GasBuddy covers 150,000+ gas stations in North America, giving drivers 27 ways to save on fuel. That's why GasBuddy has been downloaded nearly 90 million times - more than any other travel and navigation app focused on gas savings.

How many Florida gas stations are out of gas?

And while replenishments are happening, Patrick De Haan, an analyst for GasBuddy, said about 23% of Florida stations were out of fuel as of Wednesday morning. More than 59% of the stations in the Tampa-St. Petersburg area had no gasoline as of 10 a.m. ET Wednesday, according to GasBuddy. Where to find gas in Florida?
