

Gs energy storage

What is energy storage & why is it important?

Energy storage is the facilitator of renewable growth worldwide, playing a crucial role in the UK reaching its net zero target by 2050. Gore Street Capital Limited is an entity authorised and regulated by the Financial Conduct Authority, to act as the Alternative Investment Fund Manager ("AIFM") to the Gore Street Energy Storage Fund PLC.

How will CAISO's energy storage units work?

The energy storage units' four-hour duration will allow them to provide power to utilities through the Resource Adequacy framework, grid operator CAISO's programme to ensure there is enough power to meet demand, with a reserve margin. CAISO does not have centralised capacity auctions like in the UK.
