

# How long can the storage cabinet store things

Can you store pantry items in deep cabinets?

When you store pantry items in deep cabinets, it can be hard to find and access items in the back. I love Lazy Susan organizers for deep cabinet storage! They ensure you always have immediate access to any item you need with a simple turn. I recommend storing a category of pantry items on a single Lazy Susan.

How do you store items in a bathroom cabinet?

To add some extra storage space, hang some hooks inside your bathroom cabinet doors. This tip works well for items premade with loops or holes for hanging, such as scrub brushes, scissors, shavers, scrunchie sponges, hair ties, and more. Accessories or tools made of iron, nickel, or cobalt are magnetic.

Should you store everyday items on the top shelves?

If you have tall cabinets in your kitchen, you don't want to store everyday items on the top shelves! Use this space for those holiday party platters, chafing dishes or flower vases that you only need on occasion. This helps you free up space in more accessible areas for the items you DO use every day.

How do you store food in a kitchen cabinet?

This solution allows you to see what's in the back of your cabinet without removing all of the items in the front. Simply slide out the bin, grab what you need, and slide it back. Use wire racks in your cabinet to store anything long and thin, like baking dishes, cutting boards, or even sautés; pans.

How do you store pots and pans in a kitchen cabinet?

Pots and pans are heavier items. They're awkward to retrieve and store in a kitchen cabinet. Do your knees and back a favor and try one of these solutions! A stacked or pullout pot rack really helps maximize the extra storage space that often goes unused in a deep cabinet. In my kitchen, I use this stacked pan rack:

What are the best storage containers for your home?

For example, consider ornament boxes, wineglass containers, mini drawer cabinets (for items such as beads or screws) and tea bag boxes that can go straight from cabinet to tabletop. Finally, be creative as you seek the ideal storage containers for your belongings.

Steer clear of open storage in damp basements or leaky sheds. Cabinets or cupboards are often your best bet. If you have a dry garage, then consider setting up cabinet storage in there for your pellet containers. If you're lucky enough to have access to a pantry, then this could also be a viable solution. Don't use ziplock bags.

3. Utilize Vertical Space: Make use of the vertical space in your basement by installing shelves or hanging storage systems. This can help maximize storage capacity and keep items organized and easily accessible.
4. Group Similar Items: Store similar items together to create a more organized and efficient system.

# How long can the storage cabinet store things
