Can be done solo, but I know a lot of people have trouble attempting it. You really need to play a mobile class to solo it, otherwise bring a second player. Soft Hands. Technically soloable, but extremely difficult. The hardest soloable achievement in the game and it's not even close. Really just don't try, bring a second player. Siege of Orgrimmar

I would suggest a melee class or silver ranger, they're good at solo farming. For melee's I'd avoid the tanks as they take time to get into power and if you're new that might put you off. Since I saw you didn't like Blade dancer, I would suggest slayer (dwarf warrior - dual sword user).

Intermission: Lineage of Power The only thing that is different on this intermission compared to the first is the Gorian Reaver. Handle everything else the same way as you did on the first intermission. Gorian Reaver should be tanked on the same spot where Volatile Anomalies are killed, so no change here.

Arcane Lineage uses a turn-based fighting system. Skills are the different abilities used in game.
