Energizer itself seems to have lowered the price of their lithium AA batteries by a lot in the past few years. I think they are a less interesting product than they used to be, since lithium ion rechargeables are in everything now.

Technical Specifications: Energizer Ultimate Lithium AAA batteries are the ultimate choice for demanding users who need reliable, long-lasting power for their high-drain devices. Invest in the best and experience the difference. These batteries are disposable and cannot be recharged.

Lithium ion battery energizer

Yep. This is a lithium primary battery - meaning not rechargeable. Very common to hear of lithium secondary batteries - the typical lithium-ion rechargeable you'll find in a phone, etc. It's easy to confuse the two, but they are completely different. These lithium primary batteries have great long-term storage, work well when very cold, and can put out a ...

Lithium Ion Batteries ©2022 Energizer . In general, all batteries in all forms of transportation (ground, air, or ocean) must be packaged in a safe and responsible manner.
