

Massimo 500w 12v portable lithium battery power station

The Massimo battery displays that it will run my medium size fridge (sorry no specs) for 10h, a heat gun (750W) for 1h, and most impressive I used it to power my electric corded (12A) B& D MM875-style mulching lawn mower for 30min (while mowing grass) with & gt;80% battery power to spare afterwards - I know this is pushing its limits.

Give fuel fumes the flick with an iTechworld portable lithium power station.
