The current metro area population of Port-au-Prince in 2024 is 3,060,000, a 2.44% increase from 2023. The metro area population of Port-au-Prince in 2023 was 2,987,000, a 2.47% increase from 2022. The metro area population of Port-au-Prince in ...

Electrochemical cells for energy storage and conversion often contain critical raw materials (CRMs), such as cobalt in lithium-ion batteries, or iridium in polymer electrolyte water electrolyzers. The use of CRMs needs to be reduced in future device generations, and their re-use promoted, aiming at a circular economy in these energy technologies. This year's ...

The basics. Vacationers looking for a comfortable Caribbean holiday on a budget will find Port-au-Prince a great place to easily book hotels, rent cars, dine at a variety of restaurants, and head out to party on weekends. Those who are seeking more authentic accommodation in Haiti (such as Airbnb or staying with a host) need to be prepared for a few things - unpredictable power ...
