

Nasa solar system ambassadors

What is the NASA Solar System Ambassadors program?

For more than 25 years, the NASA Solar System Ambassadors program has been a public engagement effort that works with motivated volunteers across the nation to communicate the science and excitement of NASA's space exploration missions and discoveries with the people in their communities.

What is the role of a Solar System Ambassador?

Solar System Ambassadors communicate the excitement of NASA's space exploration missions and information about recent discoveries to people in their local communities. Being a Solar System Ambassador has changed many lives for the better.

Is NASA looking for Solar System ambassadors?

NASA Is Looking For Solar System Ambassadors. Are You Eligible? NASA and Jet Propulsion Laboratory (JPL) are calling determined space enthusiasts to apply for its solar system ambassador (SSA) program for the year 2023.

How do I become a Solar System Ambassador?

NASA and Jet Propulsion Laboratory (JPL) are calling determined space enthusiasts to apply for its solar system ambassador (SSA) program for the year 2023. The one-year, renewable term will start from Jan. 1, 2023, and those who are interested can apply online at [Application Form | Solar System Ambassadors - NASA Solar System Exploration](#).

How many volunteers does the Solar System Ambassadors program have?

The program grew quickly, and by 1999 the Solar System Ambassadors Program was launched with 145 volunteers. Today, the Solar System Ambassadors Program has more than 1,100 dedicated volunteers reaching more than 11 million people through both live and online events in their communities.

What is a NASA Solar System Ambassador?

NASA Solar System Ambassadors are trained volunteers who become an extended part of each mission's team and an important interface between the NASA community and the public. Since 1997, NASA has utilized these ambassadors in support of its public engagement goals, first as Galileo Ambassadors and then renamed to Solar System Ambassadors in 1999.
