

Photovoltaic fuse holder

What are Bussmann solar fuses?

Eaton's Bussmann series photovoltaic gPV solar fuses are specifically designed to protect DC system up to 1500 V d.c. They are suitable for the DC protection of solar panels, combiner boxes, recombiner units and battery storage. An introduction to understanding fuses and how they are applied for providing overcurrent protection.

What are Bussmann photovoltaic fuse blocks and holders?

Ask our application engineers about Bussmann Photovoltaic fuse blocks and holders. Bussmann series Photovoltaic fuse blocks and holders CHPV2U Eaton's mission is to improve the quality of life and the environment through the use of power management technologies and services.

What are the specifications of Eaton Bussmann chpv2u photovoltaic fuse holder?

Solar panel fuse size refers to the amperage rating of the fuse or, in other words, the maximum amount of current that the fuse can safely carry. The ampere rating is usually printed on the side of the fuse, and it will be represented by a number followed by the letter "A" (for example, "3A" or "15A").

fuse-holders. CUS101HEL series are specially designed for the protection of PV systems. Modular fuse-holders are finger-safe under IEC and UL standards to an IP20 grade of protection, including fuse changing (with the flick of a finger). Modular fuse-holders CUS101HEL are available in 1 pole, with or without visual blown fuse indicator.

It features a male and female connector lead on each end; making it compatible for use with an Adaptor Kit and solar panel leads. This Fuse Holder is designed to provide complete single circuit protection to your solar power array. The fuses prevent large currents from damaging the solar panels. The wrong size can cause the fuse to either blow too easily or not blow at all in an overcurrent situation. To calculate a solar panel fuse size, we need to obtain the maximum short circuit current (Isc) of the panels or panel strings. This will usually be on the sticker located on the back of the panel.
