At RES, we are dedicated to creating a diverse and inclusive workplace based on RESpect and bringing together individuals from different backgrounds to provide new ideas and fresh perspectives.

Put simply, no - Rest is not a retail fund. Rest is an industry super fund that was first created in 1988 to service workers in the retail industry. This is where some confusion comes from. Originally, some industry super funds were created by industry groups and trade unions. Only workers in these industries were allowed to join.
