

Reviews the solar team company website

Who is the CEO of solarreviews?

Both Andrew Sendy, President of SolarReviews, and Lachlan Fleet, CEO of SolarReviews, have founded solar companies that are among the largest in their respective markets today. This expertise continues through the SolarReviews editorial team, which has a combined total of more than 50 years of solar industry experience. Why SolarReviews?

What is solarreviews & how does it work?

After launching the first-ever website dedicated exclusively to consumer reviews of solar companies, SolarReviews is proud to announce another first for the solar industry: a rigorous, data-based scoring system for rating solar installers.

How do I choose a solar company?

Carefully review a solar company's efficiency rating, warranty coverage, customer reviews, financing options, state availability, and equipment selection before making your choice. You can greatly reduce your solar panel cost by taking advantage of solar incentives, tax credits, net metering programs, and local rebates.

Who are the best solar installation companies?

We selected Freedom Solar, Blue Raven Solar, and Palmetto as our top three choices for solar installation companies, with Freedom Solar getting our top vote. See how we compared these companies and other top-rated providers in our review.

Which solar company has the best customer satisfaction?

Our pick for best customer satisfaction is Blue Raven Solar. The company scored 4.3 stars out of 5, has an A+ rating through the BBB and has high customer reviews. Blue Raven Solar started in 2015 and now has more than 3,000 team members working to provide top solar services. Mobile App? Free Energy Consultation?

What is the best solar company for whole-home automation?

Our pick for the best solar company for whole-home automation is Elevation Solar. The company started in 2015 and currently operates in five states. With a score of 4.0 out of five stars and a BBB rating of A+, Elevation Solar offers more services than just solar panel installations. Mobile App? Free Energy Consultation?

This feature seems to be an anomaly in the industry: generally, if you sell your house, you'll need to pay off your solar loan balance. The company's customer experience team can walk the customer through the entire process and will help them to complete the transfer. Momentum Solar boasts a 100 percent success rate with system transfers.

Reviews the solar team company website

SolarReviews has been the leading American consumer reviews website for reviews and ratings of residential solar panels and solar panel installation companies since 2012. It has also grown to become the leading consumer education website for homeowners considering installing solar panels on their rooftop and to offer consumers solar price ...

We got a bad batch of panels (installed in 2013-2014). Getting Trina to send new panels took 1.5 years. I'm not sure if the breakdown was our solar service company (solar service help), or installers (Verengo - now bankrupt and sold assets Crius) or Trina but there's no reason it should have taken 1.5 years to get new panels.

The website explains no product details, including brands and product types. Future clients need to understand the quality of product information before deciding on a solar company. Unclear Reputation. Ready Solar doesn't have many client reviews or past projects on the company's website. Currently, the company's reputation is unclear.

Climax Solar is extremely transparent, compared to other solar companies, in explaining financing options and product details. While the company seems to be top-notch, more Climax Solar reviews are needed to assess this company's reputation. If you've worked with this company for a solar installation project, please leave a review below.

Ryan and his team are truly a blessing. We struggled after another solar company took our money and ran. Ryan came in, fixed the other company's mistakes, and continues to stand by his work a year later. I HIGHLY recommend Home Team for your solar installation.
