Is SolarOne a good company?

SolarOne Southwest Energy Group recently installed our new SunPower Solar System. Everyone we came in contact with were very professional, knowledgeable and friendly. Their pricing is very reasonable as well. I highly recommend them. From start to finish, Solar One explained the process, kept us informed and completed the job as promised.

Why should you choose a solar panel installer in Verde Valley?

Combined with the federal tax credits, you can save big by choosing us as your solar system installer. We have the expertise of the only NABCEP certified solar panel installer in the Verde Valley area, and the powerful combination of happy customers and vanishing energy bills on our side.
