

Solar panel companies

We've researched and reviewed 68 leading solar panel companies nationwide, interviewed industry experts, surveyed 2,000 solar customers, and spent more than 770 hours analyzing product specifications and warranties to find the best in the business.

These are the solar companies that make solar cells and solar panels that go on your roof and turn sunshine into electricity. Solar panels are manufactured all over the world, with some companies being heavily involved in research and development and ...
