The cost of cabinet refacing is \$7,230 on average. However, it's possible to pay between \$1,200 and \$16,000 for this project. Factors like the number of cabinets and the refacing materials impact the total cost significantly. For example, plastic laminate is the most cost-effective cabinet option for refacing, costing \$1,000 to \$3,000.If you're looking for solid wood ...
