Is solo leveling a webtoon?

Solo Leveling is one of the most popular Korean webtoons, and now it has officially received its long-awaited anime adaptation, unleashing Sung Jin-woo's epic growth and fearsome powers onto screens. The battles are intense and visually dynamic, especially in the webtoon format, where the art style brings each fight to life with vivid detail.

It's not cap, well, even if you consider it a bit exaggerated, Sung Jin Woo possibly scales up to the level of The Absolute Being in the Light Novel Version, who is Multiversal - Outerversal and created the Solo Leveling world from nothing, just to get entertained, so Sung Jin Woo at least scales up to a Universal Level, there are feats which back my statement more.

TLDR: Basically, I really enjoy solo leveling currently but with the way the light novel is progressing it is making me weary for the future of the series due to extreme power scaling. I don't think I know better than the creator. I just wanted to share my opinion and hopefully future mangas/manwhas have more moderation.
