Who is sungrade solar?

Great having you here Zain, tell us more about the work you're doing with your solar company Sungrade. Zain Jan: I'm building a residential scale solar energy company, called Sungrade Solar. We analyze and install solar panels on residential roofs helping homeowners reduce their electricity bill by up to 30-50%.

Why is sungrade solar a proud company?

The thing we are the proudest of is the fact that our company, Sungrade Solar, is operating in a noble industry. We are not only making a move to salvage what we have destroyed of our environment, we are also giving families who are stuck in a vicious cycle of Utility monopoly and high energy costs, cut down on their bills.

Who is suntrader solar?

Suntrader Solar based in Brighton. We offer Solar PV (electric) and Solar Thermal. Suntrader is fully MCS and REA accredited. Suntrader officially accredited under Brighton and Hove Solar Scheme.

Why should you choose sungrade?

Zain Jan: Our goal with Sungrade is to provide clean and affordable power on a global scale, while maintaining the highest standard of quality using state of the art technology, and keeping a remarkably accelerated timeline.

Why is sungrade growing so fast?

In Sungrade, we have managed to create a family, a support system, and an open-door policy. We don't believe in the hierarchy in Sungrade, we believe that anyone can present their ideas, concerns, and contributions to us at any time. With utmost respect and consideration. This, in my opinion, is why we are growing so fast.

Why did sungrade start a monk-like discipline?

Monk-like discipline gets you wherever you want and attracts people who are able to identify it. Many people said that Sungrade was lucky to have started at the time it did, by the team who did it. It was simply a carefully calculated market examination that revealed the convenience of the time.
