

Westinghouse lithium batteries

Westinghouse Photo Lithium batteries are manufactured with the highest quality lithium technology for long lasting power and outstanding high current discharge performance. A wide operating temperature range and superior low temperature performance makes these batteries ideal for use with cameras, photo flash, medical

The Westinghouse 20V+ 4Ah Lithium-Ion Battery Pack offers an emissions-free, high performance alternative to gas powered tools. Interchangeable between Westinghouse 20V+ Cordless Lawn & Garden Tools, this versatile battery pack harnesses lithium-ion energy that gets through trimming, edging, cutting, and cleaning up in a snap. ...

Lithium Batteries Westinghouse Lithium batteries are designed for high-performance applications. They are lighter and have a higher energy density than Alkaline batteries, which means they can provide more power in a smaller package. They are available in a range of sizes, from AAA to 9V, and are commonly used in devices such as digital cameras ...

The Westinghouse iGen300s provides 296-Watt hours of power with 300 continuous watts and 600 peak watts to handle your portable power needs. Engineered with a rechargeable lithium-ion battery, the iGen300s provides maintenance-free use without the hassle of fuel or fumes, which makes it suitable for indoor and outdoor use.

The Westinghouse 20V+ ® 2A rapid charger keeps all your 20V+ lithium-ion batteries ready to go & charged for all your day's work. Slide-style batteries attach into place with one fluid motion, making charging-up a snap. Two LED indicator lights on the 20V+ rapid charge system let you know when the battery is charging & when charging is complete.

The Westinghouse 40VMAX+® 4.0 Ah Lithium-Ion Battery offers a convenient emissions-free alternative to gas-powered tools. Interchangeable between Westinghouse 40VMAX+® Cordless Lawn and Garden Tools, this durable battery pack harnesses lithium-ion energy that gets through trimming, edging, and cutting in a snap.

Westinghouse Button Cell batteries are free of lead, mercury and cadmium; providing safe and reliable energy for your everyday must-have devices. Available in lithium and alkaline, these button cell batteries come in handy for anything from wristwatches and calculators to key fobs and Apple TV remotes. The larger pack

Let it snow, this battery will go: The Westinghouse 24V 2Ah lithium-ion battery powers all Westinghouse 24V cordless snow blowers and snow shovels (sold separately). These batteries will also power all 24V SnowJoe battery operated snow blowers and snow shovels. Power indicator shows charge status. Run times vary depending on the machine size ...

Westinghouse lithium batteries

The Westinghouse 20V+® Lithium-Ion Battery offers a convenient emissions-free alternative to gas-powered tools. Interchangeable between Westinghouse 20V+® Cordless Lawn & Garden Tools, this durable battery pack harnesses lithium-ion energy that gets through trimming, edging, and cutting in a snap.

Westinghouse Lithium D Battery 3.6V Lithium-Thionyl Chloride Batteries ER34615 IDEAL FOR ELECTRIC DEVICES- Great source of long-term energy source for electric devices HIGH CELL VOLTAGE - The lithium-thionyl chloride batteries have an operating voltage of 3.6V. WIDE TEMPERATURE RANGE - The Lithium-thionyl chloride batteries can be used at extreme ...

The Westinghouse Ni-MH Rechargeable - Max Series is the ideal power solution for your everyday use.Engineered to deliver high-quality green energy with excellent performance, these batteries are designed for professionals who requires long-lasting power performance, prioritized eco-friendliness and cost-effectiveness.

Let it snow, this battery will go: The Westinghouse 24V 2Ah lithium-ion battery powers all Westinghouse 24V cordless snow blowers and snow shovels (sold separately). These batteries will also power all 24V SnowJoe battery operated snow blowers and snow shovels. Power indicator shows charge status. Run times vary depend

The Westinghouse Lithium-thionyl chloride batteries are the primary batteries with the highest voltage and energy, longest storage life and slowest self-discharge rate. These batteries are ideal for electric devices that require a long-term energy source, such as water, heat and gas meters. A trusted brand, Westinghous

Let it snow, this battery will go: A larger-capacity battery, the Westinghouse 24V 5Ah lithium-ion battery powers all Westinghouse 24V cordless snow blowers and snow shovels (sold separately). These batteries will also power all 24V SnowJoe battery operated snow blowers and snow shovels. Power indicator shows charge st

Let it snow, this battery will go: A larger-capacity battery, the Westinghouse 24V 5Ah lithium-ion battery powers all Westinghouse 24V cordless snow blowers and snow shovels (sold separately). These batteries will also power all 24V SnowJoe battery operated snow blowers and snow shovels. Power indicator shows charge status.

The Westinghouse iGen600s Portable Power Station provides 592-Watt hours of power with 600 continuous and 1200 peak watts to handle your portable power needs. Maintenance-free with a lithium-ion battery, the iGen600s produces no noise and no fumes for safe use indoors or ...

The Westinghouse 40VMAX+® Lithium-Ion Battery offers a convenient emissions-free alternative to gas-powered tools. Interchangeable between Westinghouse 40VMAX+® Cordless Lawn & Garden

Westinghouse lithium batteries

Tools, this durable battery pack harnesses lithium-ion energy that gets through trimming, edging, and cutting in a snap.

The Westinghouse 40VMAX+ 2.5 Ah Lithium-Ion Battery Pack offers an emissions-free, high performance alternative to gas powered tools. This versatile battery pack harnesses lithium-ion energy to be used interchangeably between all Westinghouse 40VMAX+ Cordless Lawn & Garden Tools.

This single port fast charger charges all Westinghouse 24V lithium-ion batteries including: W24V2AH, W24V4AH, W24V5AH, and W24V8AH (Batteries sold separately.) Quickly charges all 24V batteries used in all Westinghouse 24V cordless electric snow blowers and snow shovels. Note: Also charges all 24V batteries for all Sno
